Take a look inside

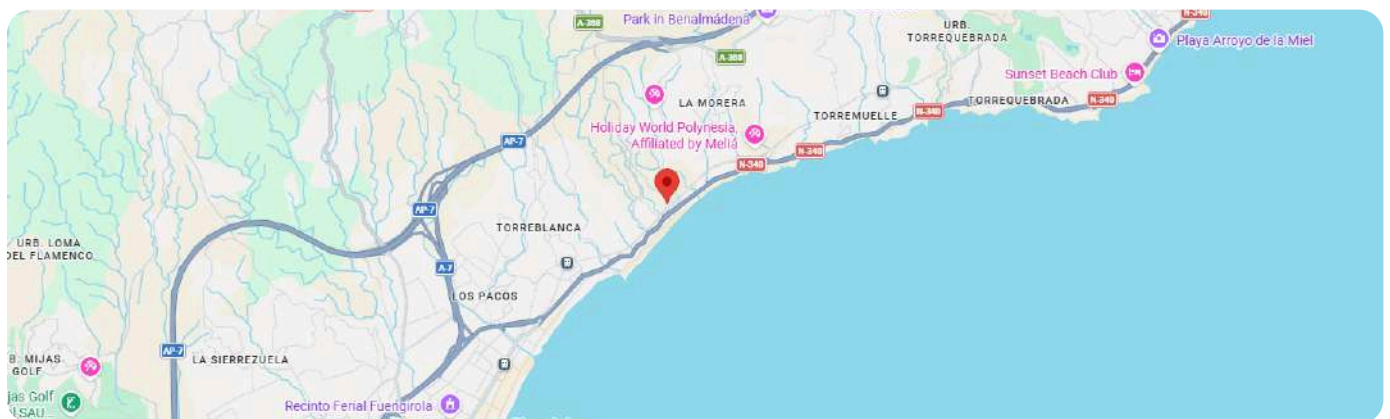

Welcome to

Higuerón, Málaga, SPAIN

Set on high ground between Benalmádena and Fuengirola, in the area known as La Morera, Reserva del Higuerón looks out over the Bay of Fuengirola and the Mediterranean beyond. Málaga Airport is about fifteen minutes away by car and Málaga María Zambrano station around thirty, so the location favours easy arrivals without giving up its sense of quiet. Within the development itself, day to day life is built around wellness and sport: indoor and outdoor pools, a spa, tennis and padel courts, and fully equipped fitness studios, all inside a gated community with round the clock security. It is a location made for those who want nature, view and privacy close by, with the airport, the coast and the city all still within easy reach.
